VILLA LEADER REPORTED KILLED

(By Review Leased Wire)

CHIHUAHUA CITY, Oct. 16.—Cruz Hurtado, one of Villa's chiefs, and ten of his followers were killed in a hand to hand fight in the canyon of Huerachic with government forces under General Jesus Nova, according to a message received today by General Trevino from Torreon. The report stated that the bandits were led by Hurtado, Lucio Contreras and Pedro Medina, who lost several men killed in a skirmish before they were driven into the canyon. The band was dispersed.

Another government success on the border of Coahuila, which resulted in the Villa commander, Colonel Ortega, being captured and shot, was reported from Torreon. The Carranza troops led by Colonel Antonio Martinez were said to have routed Ortega's party of sixty bandits who left a number of dead behind. The Villa prisoners were put to death.

Both fights occurred on October 10. General Matias Ramos, who was wounded in the fight at Cushturichic is said to be well on his way to recovery.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
